

LCACC – Community Report

December 6th 2016

EDUCATION AND SKILLS ACTIVITIES

Primary

- 15 educational tours since September (3 Waltham Forest, 3 Tower Hamlets, 3 Greenwich, 1 Newham, 2 Haringey, 1 Wandsworth and 2 other)
 - 355 students from primary schools across London

This programme provides the opportunity for schools across East London to come to the airport and take part in a guided landside tour. They get to see the variety of different types of passengers, companies and job roles within the airport. The tours finish with the students seeing some arriving and departing aircraft.

- Enterprise Challenge Day – 30 students from Newham-based Curwen Primary came to the airport and took part in challenge day where they had to rebrand a failing airline

Secondary

- **School - 21 Real World Learning Project** – 3 students from School 21 commenced the first day of an 18 week work experience programme where they will organise and oversee a fundraising activity for Richard House Children's
- **Careers Insight Visit** – 30 students from Forest Gate School for Girls came to the airport and took part in a challenge day where they had to create a new route
- **LCY Business Challenge Presentation** – 5 groups of students from Forest gate Community School took part in a business challenge where they had to present a business case on a regeneration project for the Royal Docks area
- **Careers Insight Visit** – 10 students from the Fly2help Scheme, which aims to raise young people's aspirations, visited the airport for a tour and presentation on careers with a particular focus on airline roles
- **CV & Study Skills workshop** – We facilitated 5 workshops at Lammas Secondary School in Leyton where we educated Year 10 students on the improving their employability skills
- **STEM in Aviation Challenge Day** – 120 students from schools across East London took part in this event and through a variety of activities, challenges and presentations, learned about STEM and its growing significance in business
- **Morpeth School educational visit** – 23 students from visited the airport for a presentation covering several topics such as airport codes, Electronic ticketing, Airport use of technology, Departure taxes, Airport passenger duty, Boarding passes and Careers. This visited formed part of their assessment for their Leisure and Tourism course.

EMPLOYABILITY

- **Take Off Into Work (TOIW):** An employment programme delivered in partnership with Newham Workplace
 - 593 local residents into employment since 2009
